**San Joaquin County Hospital Admissions Increasing Amid COVID-19**

French Camp, Calif. – Hospital Intensive Care Units (ICU) in the County are operating at **149% capacity** while total hospital capacity is **at 76%**.

“Today is the highest hospital ICU occupancy rate since the beginning of the pandemic. All of us can help reduce the spread of COVID-19 and relieve the strain on our hospitals by taking the simple actions of wearing a mask, washing hands, and above all avoiding social gatherings,” said Dan Burch, EMS Administrator.

**What People Should Do If They Have A Medical Emergency Or Are Sick:**

Do not delay seeking care. If you are experiencing a medical emergency such as a heart attack, stroke, difficulty breathing or altered mental status contact 911 to activate the EMS system. If you are ill or sick contact your physician or healthcare provider.

**How People Can Protect Themselves:**

We are all in this together. Every person has a role to play. Your actions save lives.

**DO:** Stay home; Avoid people outside your household; Wash hands with soap and water for at least 20 seconds; Wear a face mask when out in public; Cover your cough or sneeze; Frequently clean and disinfect touched objects and surfaces; Maintain physical distance of six feet whenever outside of the house; Stay away from work, school or other people if you become sick with respiratory symptoms like fever and cough.

###

Notes to editors:

- San Joaquin County OES in partnership with San Joaquin County EMS Agency will provide updates daily on the most current hospital statistics Monday-Friday.
- Graphs and tables will be provided showing hospital bed capacity, ICU capacity and historical tracking.
